Subject: McGuffin - Stipulated Protective Order

Hi All –

Attached is the latest version of the proposed stipulated protective order for the McGuffin litigation. Plaintiffs, the State Defendants, and the FBI have all agreed upon the language of the attached,

which should be consistent with the version previously agreed upon by all other Defendants with the exception of the notice and CFR language now included in paragraphs 19 and 20. Please let us know of any objections or further revisions, or if we are authorized to affix your e-signature to the attached and file it with the court today. If we do not hear back from you today, we will inform the court that Plaintiffs and the State Defendants have worked out their differences on the SPO and are waiting on the stipulations of other parties.

Take care,

Andy
